

Introducing the Union Pearson Express:

It's a changing world and a perfect opportunity for Ontario to shine.

A time to leverage our considerable assets as one of the world's most desirable regions.

If we navigate this passage successfully, building towards such milestones as the 2015 Pan Am and Parapan Am Games, this will be remembered as a time in which we pivoted toward long-term prosperity.

It is within this context, that one of Ontario's bold moves will be the air rail link.

The Union Pearson Express will heal a stress point for those who live in Ontario and for those who come to visit: The anxiety of a journey between downtown Toronto and Toronto Pearson Airport on the Gardiner Expressway.

The Union Pearson Express will completely transform the Toronto-Pearson travel experience. Our state of the art train shuttle will run from Union Station to Toronto Pearson every 15 minutes. 7 days a week.

Swiftly. Elegantly. Efficiently.

It's not simply the quickest way to catch a flight.

It's also the most comfortable, most reliable and most relaxing.

From the moment you transition from the hustle and bustle into the serenity of the Union Pearson Express, spirits are lifted, anxieties set at ease.

There's a new sense of flow to your travel.

The lounge is an oasis with a distinct airside feel, designed with savvy air travelers in mind it's where schedules are forgotten and adventures begin.

The train's interiors create the mood of a beautifully appointed aircraft cabin enlivened with the unmistakable spirit of Ontario's natural beauty.

Staff and service deliver to unexpectedly high standards.

The Union Pearson Express is first and foremost a solution. A long-awaited and much-needed service for our residents and our visitors alike.

But it is also an undeniable symbol of our province's own journey towards progress and prosperity.

The Union Pearson Express elevates our position as a region, a proof point of our city's significance as a player on the world stage.

And it will come to represent Ontario's welcoming spirit and emerging importance to millions.

Our calling card to the world.

We are, indeed, up and away.
