INTRODUCTION

The Union Pearson Express (UP Express) is a dedicated airport rail service between Union Station in downtown Toronto and Toronto Pearson International Airport. There are two stops along the way: Bloor and Weston Stations.

When guests purchase a ticket or board an UP Express vehicle, they enter into an agreement with UP Express (a division of Metrolinx, an agency of the Government of Ontario). This agreement gives guests the right to make the journey as shown on the ticket purchased. The Terms & Conditions herein are part of that agreement and outline the rights guests have while utilizing the UP Express, and the expectations and obligations of UP Express operators and employees.

These Terms & Conditions apply to journeys strictly on UP Express. Connecting forms of transit from UP Express stations include the Toronto Transit Commission (TTC), GO Transit (a division of Metrolinx) and VIA Rail. For more information about these transit operators, please visit or call:

1. UP EXPRESS RESPONSIBILITIES

UP Express will transport guests between UP Express station at Toronto Pearson International Airport Terminal 1 (Pearson Airport station) and Union Station with stops along the way at Weston and Bloor Stations. We will do our best to ensure you get to your destination in a safe and timely manner. However, we assume no responsibility for any consequential loss (missed flight, lost baggage, etc.) related to any form of disruption.

Subject to any advertised restrictions, UP Express guests may board any train for which their ticket is valid, however, seating and capacity cannot be guaranteed.

2. GUEST RESPONSIBILITIES

2.1. GUESTS ARE ADVISED TO ALLOW ENOUGH TIME FOR THEIR JOURNEY TO TORONTO PEARSON INTERNATIONAL AIRPORT

Your airline or travel agent will notify you of the minimum recommended check-in time at Toronto Pearson International Airport.

To allow plenty of time for check-in procedures, baggage drop-off and security checks, always arrive at Toronto Pearson International Airport well in advance of your flight. Remember, there may be queues at airline check-in desks. Please visit the Canadian Air Transport Security Authority (CATSA) website <http://www.catsa.gc.ca/home> for details regarding flight times and other flight information.

Also, allow adequate time to get from the UP Express Pearson Airport station at Terminal 1 to the check-in desk for your minimum check-in time. Guests connecting to Terminal 3 should allow for additional time to transfer between terminals. Terminal transfers can be made free of charge using the Pearson Terminal Link Train, which departs regularly.

For further information on the Link Train please visit www.torontopearson.com.

2.2. GUESTS ARE ADVISED TO VERIFY THEIR TICKETS AT THE TIME OF ISSUE

When you purchase an UP Express ticket, please make sure it is the correct ticket type and for the designated origin and destination on the ticket. If possible, draw any apparent errors to the attention of the UP Express staff immediately.

2.3. GUESTS ARE ADVISED TO ENSURE THEY ARE ON THE CORRECT TRAIN AND EXIT AT THE CORRECT STATION

Please make sure you board the correct train and de-board at the correct station. UP Express cannot be held responsible for any loss or delay if you do not do so.

3. TICKETS

3.1. REQUIREMENTS TO HOLD AND RETAIN A TICKET

Tickets are needed for all journeys on UP Express. Guests have the right to use UP Express if they hold a ticket for the assigned origin and destination stipulated on the ticket, or if they have the intention to purchase a ticket onboard the train, which is subject to an additional \$2 onboard payment fee. Tickets purchased onboard can be processed via credit cards only.

A valid ticket for authentication to travel must be presented upon request to UP Express staff at the time of journey on UP Express, or guests will be charged the appropriate fare on-board and an additional onboard payment fee of \$2 per on-board ticket purchase.

A guest who refuses to pay the appropriate fare or purchase the appropriate ticket will be refused transportation and will be subject to any or all fees and/or fines.

3.2. PRESTO CARD USERS

Guests are able to use PRESTO cards on the UP Express system. There are two ways guests can purchase a PRESTO card:

- Order a PRESTO card online – please visit www.prestocard.ca for more details.
- Visit a service counter at any GO Transit station or UP Express station.

On the UP Express system, guests who currently hold PRESTO cards can add value to their card:

- Through the Self-Serve Reload machine at Bloor, Weston or Pearson UP Express stations
- Online via PRESTO website (www.prestocard.ca)

- By visiting the service counter
- By calling PRESTO at 1.877.378.6123

How to use PRESTO on UP Express

Fare transactions made on PRESTO cards are validated by tapping a PRESTO card ON a designated UP Express PRESTO Fare Payment Device located at all UP Express stations at the beginning of the trip, and by tapping OFF on an UP Express PRESTO device at the final destination. PRESTO cards are transferable, but may only be used by one individual per trip.

Guests tapping ON an UP Express Fare Payment Device will have the maximum fare from their point of origin deducted from their PRESTO card. When they arrive at their destination, the guest must tap OFF at an UP Express Fare Payment Device to close the transaction. At this point, if an adjustment is necessary, the PRESTO card will be credited accordingly.

Example – When a guest enters the UP Express system at Weston station en route to Pearson station, the moment the guest taps ON an UP Express designated Fare Payment Device, the guest will be charged the maximum fare (which in this case would be from Weston station to Union station). Once the guest taps OFF at an UP Express designated Fare Payment Device at Pearson station, the transaction will be closed and processed at the appropriate Weston to Pearson fare (rather than Weston to Union).

In the event that a guest forgets to tap OFF at an UP Express PRESTO Fare Payment Device once they reach their final leg of their journey, they will be charged the maximum fare from the station where the guest initially tapped ON.

Please note that all PRESTO transactions are closed and processed after sixty (60) minutes of the guest's initial tap ON when entering the UP Express system.

While on-board the train, guests will be requested by the Guest Services Representative to submit their card for inspection purposes.

Reversing PRESTO card taps

In the event that a guest would like to reverse (cancel) their tap ON, they can do so by seeing a Guest Services Representative within sixty (60) minutes of the guest's initial tap ON at the same station. If a Guest Services Representative is not available, please contact Guest Services or call PRESTO.

In the event of an accidental tap ON at a GO Transit designated PRESTO Fare Payment Device, guests can immediately reverse the tap ON by pressing the "correction" button and re-tapping their card on the GO Transit Fare Payment Device. The amount deducted will be credited back to the PRESTO card. For further assistance, guests can contact Guest Services, speak with a Guest Services Representative, or call PRESTO.

For more information on the PRESTO card, please visit www.prestocard.ca

Full PRESTO card refund

Guests can obtain a refund on the balance of their PRESTO cards. For cards that have a balance under \$50, cards can be refunded at the Service Counter and are subject to a 4% administrative fee. Cards must be returned once refunded.

For cards that have a balance over \$50, a mail-in form must be sent to PRESTO and the refund is subject to a 4% administrative fee. Visit www.prestocard.ca for more information. Cards must be returned to PRESTO once refunded.

Note that a PRESTO card balance cannot be refunded if the card has a negative balance.

3.3. BUYING A TICKET

A range of e-tickets can be purchased from the UP Express website at www.upexpress.com or on our mobile application (available for iPhone, Android, BlackBerry and Windows-based devices) (the "Mobile Application"). These tickets will have a barcode and will need to be visible (via print-out or via mobile display) for on-board verification and inspection.

Other fare products may be available and must be used as required. Please note that a maximum of 20 e-tickets can be purchased in a single transaction online. For large ticket purchases, please refer the Business, Group and Conference Tickets fares in section 3.6.
